

Wigmore's Supported Charity for 2011

Wigmore Church congregation have recently chosen which local charity we will support during 2011. Six charities were suggested by different people: LAMP (Luton Accommodation and Move-on Project), LUTON FOYER, AUTISM BEDFORDSHIRE, THE EAST ANGLIAN AIR AMBULANCE, MACMILLAN CANCER SUPPORT and SUE RYDER CARE.

The charity receiving the most votes from members of the congregation was **THE EAST ANGLIAN AIR AMBULANCE**, so this will be our major supported charity throughout 2011. Whichever charity you voted for, thank you for participating in this choice.
